Gingerbread House Challenge

Benefiting Better Housing Coalition

If you're a fan of festive craft beer, delightful desserts turned into architectural masterpieces and a jolly good time, 'yule' love this event!

The third annual Gingerbread House Challenge dares local businesses, nonprofits, student groups, artists, neighbors and mall Santas to form teams and *literally* display their holiday spirit and creativity by constructing a gingerbread house centered around the 2019 theme, "Holiday Songs".

Thanks to the goodwill of Hardywood Park Craft Brewery, this exciting event coincides with the release of their popular **Gingerbread Stout** (which BeerAdvocate calls "freagin' Christmas in a bottle.") Sponsors of the event will have the opportunity to be highly visible to a diverse and merry crowd as the weekend of the release has historically drawn over 2,000 Richmonders.

Hosted by BHCyp, the young professionals board of the Better Housing Coalition, event attendees will vote on their favorite displays, and a celebrity judging panel will crown the \$1,000 Grand Prize Winner! Houses will be up for auction, and 100% of proceeds will support BHC's mission of changing lives and transforming communities through high-quality affordable housing.

So don't be a Scrooge - join the fun and support a great cause!

About Better Housing Coalition

As Richmond's largest not-for-profit affordable housing developer, BHC's mission is to change lives and transform communities through high-quality affordable housing. Since 1988, BHC has revitalized several historic communities and developed new ones in Richmond, Chesterfield, Henrico and Petersburg.

Its portfolio includes the development and operation of 16 multi-family rental communities – eight of which are for low-wealth seniors – with 1,500 rental units, and 200 new or renovated single-family homes sold to first-time home buyers. BHC communities are characterized by attractive homes for people of mixed incomes; eco-friendly features and sustainable development; collaborations with residents and community partners; neighborhood preservation, and architectural features not typically associated with affordable housing. BHC also provides free and voluntary resident support services to help children reach their aspirations, adults become more self-reliant, and seniors age in place and lead healthier lives. The organization relies on philanthropic support to advance its mission.
